

A sleek, black Plantronics EncorePro headset is shown against a dark blue background. The headset features a large, circular earpiece with a mesh grille and a black leather-like padding. A flexible boom extends from the earpiece, ending in a silver microphone. A curved headband is attached to the top of the earpiece. The headset is reflected on a glossy surface below it.

Superior audio clarity

Reinforced, lightweight headband for strength and durability

Sliding boom ensures precise microphone positioning

plantronics®

Exceptional comfort and clarity meets sleek design

EncorePro™ Headset

Blending luxurious comfort with superior audio clarity and sleek, polished looks, the Plantronics® EncorePro™ headset delivers unprecedented style and performance to contact center professionals.

EncorePro™

The EncorePro is built with premium lightweight nylon composite materials providing an ultra-lightweight design and taking comfort to a new level. Plush leatherette ear pads provide all-day comfort, and the reinforced, lightweight headband provides strength and durability. The extendable microphone ensures precise positioning so customers hear every word. And with high-frequency wideband response, the EncorePro ensures crystal-clear, efficient customer communications.

ENCOREPRO KEY FEATURES

- Unprecedented style and performance. Blends luxurious comfort with superior audio clarity and sleek looks
- Ultra-lightweight design. Premium lightweight nylon composite materials and plush leatherette ear cushions provide hours of comfortable wear
- Ultra-noise-canceling microphone. An extendable low-sitting microphone boom accurately positions a superior noise-canceling microphone. Customers will never miss a word
- High-frequency wideband support. Wideband support ensures crystal clear customer conversations, so you will hear and convey every nuance
- Advanced ergonomic design. Provides superior balance, fit, and comfort

Choose your preferred fit:

— Single earpiece (monaural) can be worn on either ear — lets you hear the conversation, and what's going on around you

— Dual earpiece (binaural) — cuts out distracting background noises

- Quick Disconnect™ feature. Walk away from your phone while still wearing your headset. Adjustable clothing clip and 10 foot coil cord allow for freedom of movement
- Supports AudioIQ® and Clearline™ audio technologies. Ensures precise listening level, sophisticated hearing protection and superior audio performance when used with Plantronics Audio Processors

Or you can use a Plantronics USB audio processor for VoIP and Unified Communications applications, or a direct connect cable with suitable desk phones.

- Warranty: Two years for unsurpassed durability.
