

Perfect sound has  
never been so moving.

Sennheiser/adidas SPORTS

# Developed with athletes

The adidas and Sennheiser brands are strongly associated with strong features and utilized by sport-loving individuals and athletes. In order to offer the best audio performance matched with the highest sports functionality, we have been seeking regular feedback from athletes in crafting our second generation of sports earphones and headsets. We prognosticate your needs and defy the harshest conditions. We understand sound and sports. In the heat of competition, the sound gear must inspire and become your source of inspiration.
